- Memorandum of Understanding for Partners (April 25)
- Saves you time and hassle!

What Were We Looking For?

- Company experience and projected longevity
- Staff credentials and expertise
- Local connections
- Quality product offerings
- Good prices for purchased and leased systems; good discounts for increased volumes
- Established leasing partnerships for solar electric systems
- Capacity to bring in extra resources to meet demand
- Marketing experience, creativity, and support
- Good administrative tracking systems
